COOPERATIVE EXTENSION WORK IN AGRICULTURE AND HOME ECONOMICS.

U. S. Department of Agriculture and State Agricultural Colleges - cooperating.

States Relations Service, Office of Extension Work, South. Washington, D. C.

To Directors of Extension, State, District,
and County Agents, and Other Extension Employees.

As a matter of information, we enclose a statement from the Office of the Secretary under date of March 15 regarding an advisory committee of representative producers of farm products and live stock, which has been appointed to assist the Department and the Food Administration.

Please give this the greatest possible publicity. We suggest publishing it, if possible, in the local papers in each county.
